***Some of you may recall that the WPPC of NJ first struck a coin that had the original graduation date of May 24, 2014. When USMA set a new graduation date of May 28, 2014, we struck new coins. If you would like to purchase the former coin, you can still do that. The old 2014 coins are \$4 (w/o the plastic case) each up to the number of new coins ordered and will be sold until the supply is exhausted.**
